Grab Your Visitors By The Eyeballs, Explode Your Profits, And Practically Force Your Prospects To See Your Message With The Latest Profit Producing Technology ... Impact PopUps! Well show you exactly how to do it in just a few simple steps - even if you dont know a single line of HTML code! In todays fast-paced world, you have to make an impact fast! You only have a few seconds to grab your visitors attention, or you risk loosing them forever. You need to control what your visitors see first, and without a doubt, the most effective way to do that is using popups. But, theres a problem. According to a recent study, it is estimated that 86 of the visitors to your website have at least one pop-up blocker installed. And to make matters worse, most of the major Internet service providers, and almost every new web browser being released are including popup blockers too! Were you one of the millions of marketers forced, against your will, to abandon one of your most effective advertising methods? Its time to fight back, and were going to show you how to do it.
