Master Me Brynn Paulin The Cress brothers from All Chained Up and On Your Knees are back. Ana knows she's a submissive but hasn't ever found a real Dominant. Bad boys had never lived up to their reputations and most Doms had turned out to be nothing more than bullies. When her longtime friend Max surprises her by turning her over his knee for the spanking she's always wanted, her body explodes with long-repressed desire. Max knows it's time to stop hiding his lifestyle from Ana. It might destroy their friendship but he can't watch her destroy herself instead. He offers to temporarily train her then help her find a Dom. But now that she's kneeling at his feet, they both discover exactly what she's needed all these years. Max's mastery will be much more than temporary.
