know there's a ton of eBook resale rights around these days. BUT - if you really want to make money selling an eBook you have rights to, you need: A very high quality product. An effective sales letter. A professionally designed website with great looking graphics. Now - this eBook is brand new. Get a copy now, start promoting it immediately and you'll make the most profits. Wait a day or a week or a month, and literally more and more profits will pass you by. Now, I'm certainly not saying this to brag, but I wrote this sales copy, and my copy has sold hundreds of thousands of dollars worth of products online, if not millions of dollars worth. AND - from very affordable eBooks like this one. Don't believe me? Then search Google for "Louis Allport" and see what you find. Now, the Google index does fluctuate for many reasons. But right now (as I'm writing this), I see up to 804 websites selling my products. And what's more - when I search Yahoo I see up to 2,820 selling my products, and even more on MSN! For whatever reason, Google just gives a small sample of what's actually happening out on the web. Even if each one of those sites is selling just one copy of a $20 eBook a week that I wrote the copy for, that adds up real quick. My copy and products have made many people a LOT of money over the past two years. They can make YOU money too - all you need to do to get started is grab a copy of this product. And just by having a copy of this product, you can sell it or present it pretty much any way you choose. You can even turn it into a physical product by putting it onto a data CD or a DVD. This would make it a good way to sell on eBay. It's totally up to you! Tags: plr, web
