Contemporary Gospel Details: 2:Eleven hits the ground running with another hot release. After a short break from the success of his last release Chronicles of A Preacher, 2:Eleven switches his focus to relative hard-hitting issues that affect today's society. Unlike many rappers, 2:Elevens message is hard hitting, truthful and filled with wisdom that is sure to uplift the spirit and soul of man, woman and child alike. Not In Vain begins by taking the listener on a spiritual journey through the trials of troubled teens, pregnant teens, troubled marriages, and the gay lifestyles of the church. Not only does 2:Eleven raise the bar of ministry through rap, his production is equally impressive. With beats from some of the most diverse producers in the game, he is bound to reach people from all over the world. If you're ready to be challenged and at the same time entertained then buy this CD and strap on your seat belt and get ready for the ride of your life.
