Bad-ass high octane Detroit rock. 12 MP3 Songs Rock Modernistic Shake Rock Hard Rock Scratch Songs Details: Detroit rock band, 60 Second Shell cranks out a lethal mix of killer guitar comminute thumpin' grooves and balls-out punk intensity. It's a sonic assault that makes you dance, sweat and raise your middle finger in salute to music that's Detroit's great rock and roll tradition. 60 Second Crush's revved up sound and full-throttle stage show has won over national and local audiences alike, while earning the band critical accolades. With smokin' showcases at the prestigious SXSW Music Conference, and a rollicking live show at the Rock and Roll Hall of Fame under their belt 60 Second Crush is currently touring in support of their new CD "Scratch" (Aural Pleasure Records). Recently, their single "Sister Suicide" was featured in the Sci Fi Channels' "Hulk: The Low Down." In April 2004, 60 Second Crush were also honored with a "Best Hard Rock" nomination in the Detroit Music Awards. The Crush is a rock and roll workhorse: writing, recording and doing what the band loves best - playing live. The band toured extensively as the opening act for platinum sellers (and hometown heroes) Sponge. 60 Second Crush also toured Europe twice - even netting the headlining slot at the "Free and Easy Festival" in Munich, Germany. Back at home in Detroit - 60 Second has opened for a staggering array of national artists including Buck Cherry, Fingereleven, VAST, 12 Rounds, Thrill Kill Kult, Corey Glover, The Amazing Crowns, Marky Ramone and the Impotent Sea Snakes. Despite being tour support for bands of such different genres - 60 Second Crush has always risen to the occasion and simply put, kicked ass!
