Organic handmade percussion and rich melodic textures are artfully combined in a musical invitation to ecstatic dance and joyful movement. 10 MP3 Songs NEW AGE: New Age, NEW AGE: Meditation Details: "What can one say about this other than that it feels good? How long before this turns up on NPR's Hearts of Space? ... you've got something that transcends definitions like new age or world music... Lund and Pierson have found that delicate mix and have created a work that is stirring and memorable." -FACE Magazine, August 2003 Alfred Lund is a musician, drum-maker, and healer. He understands the world around him in terms of rhythm, movement, and connection. Heather Pierson is a pianist, vocalist, percussionist, and the owner of Vessel Recordings. She uses the language of music to invite people into an experience of community. In pieces ranging from the smooth, liquid title track to the barely controlled chaos of "Maelstrom", Heather and Alfred bring the listener at once inside, to the source of movement, and then outside, as that movement begs expression. Suitable for fans of new age, world beat, and dance music.
