Details: I made GOD a promise that I would use the gift he gave me to promote the kingdom and what Jesus did on the cross, and as a result win lost souls and give him Glory! My inspiration comes from God the Father, His love that He has for me, Jesus the Christ and what He did on the cross for me, the Holy Spirit my counselor and comforter, and my personal testimony of my life experience. My life testimony starts with me being brought up by people much older than me. Which led to hanging around a much mature older and wrong crowd of people. They consisted of drug dealers, pimps, womanizers, etc., and once I was exposed to the gangster rap it really consumed me and I thought that this was the way life should be. This kind of deadly lifestyle held me in bondage from the age of 12 to the age of 30. Then I began to examine my life and wonder was this it, was this my life. And so I decided that I had a much greater calling and that Jesus was whom I wanted to live for.
