I try to bring out the original meaning of the song writer to inspire people through my music. 12 MP3 Songs GOSPEL: Country Gospel, COUNTRY: Traditional Country Details: During my Junior High years, my choral teacher realized my singing potential and advised my parents to provide me voice training with a professional instructor. After a couple of years of training, I received solo parts in many plays and shows. My performing continued in college and throughout my adult life. In later life, I was again encouraged by members on the computer (Paltalk Music Rooms) to make a CD so others could enjoy my singing. This brings me to this project which I hope you enjoy.
