Inspirational Innovative Hip Hop that will move you mind body and soul. Confidence is a story teller and he paints the picture well. 18 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: Soul Details: In his youth, Casey Confidence Barwick was introduced to hip-hop music and began making it his own. Creating beats through a collage of music he heard, using a simple tape recorder. He began reciting his main influence, Q-Tip of A Tribe Called Quest, and replaced his (Q-Tips) lyrics with his own slang. With a lot of practice and great inspirations from artists such as De La Soul, Bob Marley, and Rakim, Confidence created a style in which he could call his own. A few years later Confidence put out his first EP entitled Hidden Frequency. With musical, conscious complex lyricism, and delivery ahead of his time. He then followed up with three more EPs titled Acoustic Coalition, Foresight, Loose Leaf Paper. Before the release of Foresight, Confidence won Simply the Best, a local contest for rappers and singers. After not making the first audition, he came back for the 2nd audition and won the chance to compete with 11 other contestants for the title. Confidence was crowned champion in late March of 2005. He continues to promote and pay for his own shows as his track record proves. Not only does Confidence write his own lyrics, he makes his own beats, plays the instruments, produces, mixes, and masters all his tracks at home. Confidence currently resides in Mansfield, OH. Where he continues to drop gems and keep people in anticipation of his next LP titled Conscious Moods, out this spring. Its about time the masses picked up on Confidence who, true to his alias, continues to rip tracks flawlessly. With inspirational lyrics, eloquent breathe control, and intelligent terminology. Look for his debut single dropping late May 2007, Step Back ft. Shy.
