Have you been having trouble getting into a relaxing mood? Have you reached the point, where a bubble bath, and back rub just wont do? SAY NO MORE... From the collective talents of DA WONDA TWINZ, comes MUSICAL THERAPY, a soothing, sensual CD 16 MP3 Songs JAZZ: Smooth Jazz, URBAN/R&B: Soul Details: Da Wonda Twinz are two brothers from Cincinnati, Ohio by way of Hamilton Ohio, home and birth place of the late great Roger Trotman ZAPP. With two distinct styles of music making skills joining forces has given them the ability to create a unique, one of a kind sound to the likes of which the world has never known. Markess, has a more Hip Hop, hard drum driving jazz flava that puts the groove in your hips, and a swagger in your everyday step, all the while cooling you out with his jazzy feel. Miguel, on the other hand, has a more symphonic, moody, R&B vibes, that promises to take your mind body and soul to a soothing place of thought, and relaxation. Together they have come up with "TWIN-STRUMENTALS". Music that will touch every nerve of your body, giving you a sense of freedom, compassion, excitement, and sexiness, like only they can do through their music. One listen to the funky drum tracks, smooth horns and strings; the angelic pianos, vibes, and guitars, and you'll be moved like you've never been moved before. Influenced by such music greats as far back as Stevie Wonder, Michael Franks, Joe Samples and the Isleys, on up to modern marvels such as, Kenny G, Bonny James, Spyro Gyra, Roger Trotman, Zapp, and many others. They have harnessed the best of all the greats, while mixing their own brand of funk, soul, jazz, and hip hop to the mix, giving you "DA TWIN-STRUMENTAL" Style. They've worked with countless Artists, from every coast, and over seas, from rap to abstract, Jazz, to R&B, they do it all. They are more than just music producers, theyare composers.
