Original, Creative, Professional - Totally Independent. 21 MP3 Songs HIP HOP/RAP: Rap, URBAN/R&B: R&B Pop Crossover Details: Emortul Entertainment was formed to bring a new sound and style to a very repetitive music industry. The company was built on a foundation of making original music compositions, writing meaningful lyrics, and performing with grand showmanship. Although they concentrate deeply into the business aspects of their field, they are a company fabricated from a group of diverse individuals with a true love and passion for music. Emortul E is an urban record label based in Dallas, TX. This label truly shines due to its many talented acts: Smooth D (RB/Rap), Madame Ice (Rap), Big XL (Rap), Martinique (RB), Hoo-Daddy (RB/Rap), Ms. Royaltee (Rap), D'Shae (RB/Gospel), Shantel (Rap) and the following rap super-groups, Ruf Diamondz, The Execs Tha Squad, formed by mixing the above-mentioned artists together. By coincidence all artists play vital roles in the business side of the company by serving as staff members. Musical compositions for Emortul Entertainment are composed mostly by its in-house production team - The Emortul Men w/ Freezah Ms. Royaltee (which consists of Smiley Boy, Dano, Big Man, NoFace and the female producers Freezah Ms. Royaltee). The Double E is currently doing online and street promotions for its first full-length album "The Mix-Up Mixtape (Vol. 1)".
