

Mp3 Fevertech - Snake Oil Nation

[DOWNLOAD HERE](#)

Influenced by deep rock cuts and progressive synthesis, this album offers an end-to-end listening experience best described as ROCKTRONIC. Heavy rhythms, cutting leads, and a driving vocal message are interlaced with weirdness and occasional beauty. 12 MP3 Songs in this album (55:14) ! Related styles: ELECTRONIC: Industrial, ROCK: Progressive Rock People who are interested in David Bowie Ladytron The Presets should consider this download. Details: ----- ABOUT SNAKE OIL NATION ----- The first full-length artist album from Fevertech since 2006's when junk has a heart, S.O.N. is a vocal rocktronic message to a nation ready and desperate for change. On the cover, "Two Face" cries for commerce and progress... within the songs, we're challenged to face ourselves. * FEATURING BACKING VOCALS BY NICOLE RAPPAPORT * ----- ABOUT FEVERTECH ----- Fevertech is the world infamous cross-humanized brand name capable of fighting impulses and freezing the soul. Slays corporate demons and liberal panty waists alike. Opinionated in the morning, rarely gives a damn after lunch. Fond of people as long as they are far away and accessible via ethernet. Produces a sound described as ROCKTRONIC ELECTROBOTICA, drawing influence from the history of rock, electronic, machines, politics, conspiracy, and truth. Please visit FEVERTECH.COM for more info.
