Thick, moody, dynamic, elegant. electrically charged with a flavor for freshness. This recording captures the raw essence of Jenni Alpert and is as real and as untouched as it gets. 11 MP3 Songs JAZZ: Jazz Vocals, FOLK: like Joni Details: With her sultry music, in a sound that hints at magical combinations of jazz, soul, and rock, Jenni Alpert performs her self-penned songs in a style that is infused with fresh flavors. She combines the best of Fiona Apple, Norah Jones, Jeff Buckley, Billie Holiday, and Joni Mitchell in a way that is truly unique. But it doesn't stop there. Her rich compositions, performed on both piano and acoustic guitar, and a captivating stage presence reveal deep languorous moods that will take you on an unexpected journey of sublime discovery. Alpert has independently released five albums and two live recordings. Originally from Los Angeles, Alpert arranges her own tours coast to coast and internationally with a grass roots style. 'Pieces' weaves a web of brilliant songs featuring an amazing cast of LA's finest musicians which includes Jimmy Paxson Jr. (Stevie Nicks, Sophie B Hawkins, Edgar Winter, Alanis Morissette), Jimmy Messer (Kelly Clarkson, Enrique Englesias), Zac Rae (Alanis Morissette, Macy Grey), Mike Valerio (Queen Latifa, John Williams), Joel Martin (Reece), Chris Golden (Rod Stewart, Mick Fleetwood), Nick Sample (Joe Sample), and Stevie Blacke (Snoop Dog, Mandy Moore), and Hal Cragin (Rufus Wainwright, Sara Mclaughlin). During the recording sessions, Alpert chose to record all of her vocals and accompanying guitar / piano tracks simultaneously, live with the nucleus of her band with no separation and no second takes. It is Alpert's vocal strength that affords her the ability to record in such a fearless fashion. This recording captures the raw essence of Jenni Alpert and is as real and as untouched as it gets.
