a collection of lonely songs played on acoustic guitar in a folk/pop style 11 MP3 Songs FOLK: like Joni, POP: Folky Pop Details: Intricate arrangements dot this special release by Kate Kennedy on Barely Bias Records. Her music is folksy in a way but pop in far more ways. Honest lyrics sung with sincere gusto and a subtle sense of bravado. Light instrumentation makes Circle, Spiral, Line perfect for any coffeehouse or quiet time left to ponder the worlds more intriguing questions. Emotions run high on this one my friendspick it up. - J-Sin (Smother.net) Rock and roll (or folk, or whatever) isn't about perfection. It's about expression. And Kate Kennedy does quite well in that department. Most engaging. - aiding and abetting
