I can feel you think of me, you can think I feel weak, you can meditate on your reversal, but your actions witnessed universal. Soul Assasin! You like a disease Talking bout the man with the master plan, you got a homin- device on my body, you know exactly what's going on, it's so clear to see your like a disease, BABY! Your happy since you rejected me, how could you be so wicked, your acting just like my enemy, but I know, you know, I know you got the cure. Your like a disease, BABY. Like the extortion of love, when it's so serious, supervision poisonous, your exposed, your like a disease! I'm trying to stay calm in this witching hour, your the joyless boy who devours, your the one who's cashing in my pain, your on survival mode and it's insane! You'r like a disease, BABY! It's all up in my head you say, all up in knots you got it made, I wish you would come and comfort me, I guess that's what you need, your like a disease, BABY! KillJoy The problem with letting you in, is the same problem of letting you win. Your such a special friend so why be the killjoy. You make me sin against my kin and all I though was beautiful, you make me betray myself, you haunt my dreams in pale blue jeans, you stalk my mind, like my executioner, my execuioner, why be a kill joy why be a kill joy, maybe just to be your toy of love. If I don't let you go you just might find out all is forgiven like ravens with ribbons don't be a killjoy, I'll be your love toy, you can enslave me. You can enrage me, you can torcher me, you can torment me, you can punish me. You can possess me, you can toil with me, you can tame me with your beauty, you can enrapture me and all to break me you can be mean to me I'll let you have it all. ALL. I never knew a man like you instead I only knew that everyone was similar, so don't be my killjoy, don't be my killjoy I will be your toy of love. Eternal Soul Twin Help me unify, the meaning of our life, I see you in my minds eye, eternal sunshine, I know that you get mad, prisons of passion so sad you know that I see through you all reality leads to you, you are my

eternal soul twin. There's something else inside forgetting all our pride I don't desire you cuz we are endless to, teach me to dream, of the eternal stream where we communicate beyond time and space. You are my eternal soul twin, you know that I would find you, I know that you're consumed, We are the sacred love and not the heartless dying dove. Eternal Sun! Eternal Passion. You are my eternal soul twin. You are my eternal soul twin. Fear of You Oh you came in, with that bitch of a girlfriend water for tears, came to me in my fears. Living in fear of you. Stayed all night, you watched as I cried, hopeless you said, watched me till I was dead. Living in fear of you. You then did fold, I was your whore, Living in fear of you, Living in fear of you, Living in fear of you. Crying Shame Your on the top of the world with your modern girl, I think you want me to sink in despair but I saw your mind blink. Such a crying shame, a crying shame when you play those mindgames. I would be innocent if you weren't so goddamn brilliant you saw me call your bluff, never had a girl call you on your love. It's a crying shame, when you play those mind games. Call your bluff, Calling your bluff, call your bluff. I may get worried when my mind is in fury, but I know you tried to do me in cuz your mind is a beautiful machine. It's such a crying shame when you play those mind games, It's such a crying shame when you play those mind game. Jealousy Have you ever wanted someone so bad, you want them so sad that it makes you mad. Have you ever seen a heavenly body from the goddess above, somebody else is touching your god. Jealousy in the tenth degree, I got jealousy in the tenth degree. Sicker than a dog and I got to fight back, I'm gonna get me a man and give him a heartattack. Jealousy, someones touching my man, someones touching my man. Jealousy in the tenth degree...I gotta get into him, I gotta get him a message. You're so hot it makes me hate, you're so bad it makes me wait. I never did anything to you, so why you making me feel the way I do, Oh jealousy in the tenth degree, someones touching my man, someones touching my man. EyeSore I see you all alone like an eyesore, all the girls all around you want you, I never knew that passion could be so beautiful, until I saw you walking in the room you're such an eyesore. You're a sight for sore eyes. You look at me and the flashing in your eyes like a fire! and every other recognizes that they want it in any other, you look at me like you're looking at an eyesore and it's hurts so bad I think I want to fuck you. You're a sight for eyes, you're a sight for sore eyes. Well it hurts so bad I want to get you on the floor! Watching you walk in and I want more and on that other day you said you were going to stay, but I was a fool to believe you. Now you're looking like an eyesore! You're looking so hot! like an eyesore...
