New World Age Fusion 12 MP3 Songs NEW AGE: New Age, WORLD: World Fusion Details: TRAVEL ANYWHERE! THIS ALBUM WILL TAKE YOU THERE! Instrumentals using Acoustical Piano and Roland Synths. This album is about the general sense of things, if such a thing exists at all. Balloons flying through the air with no apparent origin. Birds flying in flocks that look like water. The spirit in all things brought into focus with music. This music, your music. The life electric. I have entitled this the Restoration One. One for the first album and Restoration for what it does to you when you listen. It restores your general belief in butterfly created breezes and clown induced smiles. In this album you will hear bells from air flung cathedral towers (Bella Grazia). You will hear boat whistles saying farewell (Alas). You will hear rain, thunder, and the falling waters of hidden streams. This album will take you anywhere you wish to go! I hope you like it. About The Ensemble' de Luz'.
