Details: Sam Crowley is a former Fortune 100 executive who launched the personal development brand Every Day Is Saturday and the hugely successful website EverydayIsSaturday.com. Sam also is a best-selling co-author, speaker, and business coach. As the story goes, Sam would usually arrive home late in the evening just in time to lay his daughter Madeline down to bed each night and answer the same question "Daddy, is tomorrow Saturday?" Madeline asked this question because of Sam's hectic corporate schedule which only saw him home one day a week Saturday. Although six nights out of the week, Sam had to answer "No" to the Saturday question, he vowed that someday soon "Every day would be Saturday." Sam resigned from the corner office on May 6, 2005 and began what can only be described as an Incredible entrepreneurial journey. Sam documented each step along the way, knowing full well it would become the blueprint for any individual going through massive transition in their life. From C Level executives to small business owners, Sam has taught the Every Day Is Saturday message to people all over the world looking to find their own Saturday. Saturday can be found in or out of the workplace, it makes no difference. The key is making sure when you decide to exchange your time for that day, you understand you are doing what you truly love to do, thereby ensuring everyone wins. Sam lives in Cincinnati, OH with his wife Angela and their three children Madeline, Laura, and Paige. You can find Sam on stage or teleseminars, preaching the Every Day Is Saturday message and calling out champions around the globe.
