With a back catalogue of CDs covering such things as UFOs, electronic voice phenomenon, and human resource exploitation and more, now a completely new CD for 2008. 9 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Experimental Details: Schloss Tegal has existed since the 90s recording conceptual albums exploring extreme and sometimes morbid subjects to illustrate their subjects. The name came from a castle outside of Berlin that was the first mental patient hospitals. The Castle was destroyed and the patients exterminated during WWII. Their CDs are a mixture of graphical information in the form of audio tapes synthesizers and electronic sound and forensic samples that resemble more of an anthropological film or study rather than music per se. The music is extreme and overpowering psychogenic (psychological/hallucination) sound intrinsic mind movie which is ultra-real and sometimes subliminal and many times not for the weak stomach. These sounds range from dark ambient, experimental to extreme psychogenic power electronics. Schloss Tegal create what they call hyper-real sound or psychogenic sound. They have recorded many CDs and vinyls and they did the soundtrack to 3 levels of the Unreal II video game for Atari. More information can be found on their web sites: schlosstegalor myspace.com/schlosstegal23 People who are interested in Throbbing Gristle Lustmord Bad Sector should consider this download.
