A little bit soundtrack, a little bit punk, a little bit postmodern. 11 MP3 Songs ELECTRONIC: Soundscapes, ELECTRONIC: Ambient Details: "Arrival" is the follow up effort that we hear Daniel T Hayes sing for the first time. The style of music on Arrival runs from the punk-inspired "F#k Retail" to the happy dance track "Maui". For the first time, Significant Effects has achieved a coherent sound that challenges the listener's definition of pop music.
