Hip hop/R&B 6 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: Sunni is back with her new anthem for the summer!!! Atlanta's best kept secret, this saucy hip hop chanteuse creates the perfect marriage of hip hop and R&B. Her breath and sometimes breathless style of rap/R&B confections makes something old new again. She takes a deeply sensual approach to convey a powerful message or storyline that purposely breaks down every barrier that life has placed on her. Her intimate approach pulls you in like a whisper and makes you listen closely to what she has to say. Make no mistake, she may whisper to you through song, but she rocks with you on stage. Her uncanny ability to Move the Crowd like EPMD or Get it On with you like Marvin Gaye has set her on a road less traveled. Showcasing her abilities as a singer, rapper, songwriter, and entertainer, is a staple in her shows. She has effectively taken both genres of music and visually displays her love for them both on stage through song and dance. Why Sunni? Because it is the perfect slap to adversity, pain, and what she was supposed to become. Her deeply rich complexion and tumultuous child and young adulthood was suppose to define her as rough, poverty-stricken, ghetto, ugly, and unsuccessfulbut she made darkness into light (Sunni) in that she displays a balance of beauty, brains, and class, interwoven with ghettoness, roughness, and street. Sunni was supposed to be consumed by the fire of her environment, yet she rose from the ashes like the Phoenix. Now she is striding purposely through every barrier to represent a paragon of virtue; love; and most of all courage. The Sun-ni is the light of the world. The Sun-ni warms the earth. The Sun-ni is a source of heat. The Sun-ni is a star. Sun-nione of the great luminaries of heaven and earth
