[DOWNLOAD HERE](#)

A raw, simple, Dylan-esque presentation of Terry Tanger's original material as recorded and performed by "Those XCleavers" and "King Solomon." 14 MP3 Songs in this album (52:00) ! Related styles: FOLK: Folk-Rock, COUNTRY: Country Folk People who are interested in Neil Young Peter Case should consider this download. Details: As lead guitarist / vocalist for one of the midwest's early punk / new wave groups (Those XCleavers), Terry Tanger was up front with both his writing and performance skills, long before it became fashionable and marketable in those genres by other artists. Being in the forefront is not usually an easy task, especially in the arts, and requires an artist willing to shed shome of his own blood as he searches for and aquires an audience. His early ska and reggae influences would bolster his songwriting abilities as would he later forays into country rock and folk music.
