Slightly quirky pop rock with a 60's influence. Every song is catchy. You will dig it. 10 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: The Chinch Bugs are composed of four former members of the Minneapolis pop band THE SANDWICHES(1995-99,RIP). Formed in the fall of 2003, The Chinch Bugs have a good time playing original, fun, 60's-flavored pop rock music. "Infestation" is full of catchy hook-filled songs, guaranteed to make you want to listen at least a second time. "...One thing is for sure: Infestation will keep any party hopping into the wee hours of the night." Jason Horodyski, Left Off The Dial - July 19, 2005 "... crisp, clean pop, lots of keys and gently strummed electric guitars...The Chinch Bugs cleverly avoid extermination on Infestation." Nathan Dean, Pulse of the Twin Cities - March 16, 2005 "Some tunes are simply fulfilling...while others are incredibly well-constructed and ultimately catchy. These folks most certainly have their hearts in the right places. Pure feelgood music played with sincerity and style." LMNOP Reviews, babysue- January 2005
