The Doktors are a six-piece acoustic band that play a blend of Folk, Rock, and Bluegrass using Mandolins, Dobro, Bass Fiddle, Guitars, and Drums. 13 MP3 Songs FOLK: Modern Folk, ROCK: Acoustic Details: This here is an acoustic band that plays a blend of folk- rock with a taste of bluegrass. This is good time Summer party music. Using Mandolins, Dobro, Bass Fiddle, Acoustic Guitars, and Drums- they forge a unique eclectic sound. This debut recording captures the bands true spirit, in the style of Steve Earl, Jorma Kaukonen, John Prine, and Jerry Garcia. All the songs are true originals recorded majestically at Velvet Sky Studios, Milwaukee, WI. This CD features Bob Parduhn on Dobro/Vocals from "Bones of Contention" fame, and Mike Follstad on Mandolin/Vocals from "The Mercury Dimes". The band finally captured that playin' in a circle sound that they so admire. Here it is: unplugged, homegrown, and guaranteed.
