

Mp3 Warren Hatfield - Smile

[DOWNLOAD HERE](#)

Jazz Standards-an homage to jazz legend Paul Desmond featuring Saxophone and Strings playing classic jazz standards 12 MP3 Songs EASY LISTENING: Love Songs, JAZZ: Smooth Jazz Details: "Smile" is an homage to alto saxophone jazz legend Paul Desmond. "On this CD I have respectfully attempted to capture the essence of Paul Desmond's playing" Hatfield states. The album features saxophone, strings and a vocal group performing 12 of the most revered classic standards in the repertoire. Critics have hailed the album as an artistic triumph. Hatfield recommends that the listener pour a glass of fine wine or a dry martini, relax and listen to some world class music and performances on this CD. This album has plenty of artistry and soul!!! Warren "Doc" Hatfield has been a highly acclaimed woodwind performer and educator for over 40 years. He has performed with a veritable "who's who" of jazz artists and is Professor of Music Emeritus from South Dakota State University. Doc presently resides in Phoenix, Arizona where is a freelance performer, clinician, and private studio instructor. He is the musical director of a ten-piece band, DEJA VU. He is on call with several musical groups, performing with stars such as Ray Charles, Julius La Rosa and Kay Starr. He has recorded three CDs with a number of top Los Angeles based musicians. His most recent CD, Smile was recorded with an elite studio string section in Los Angeles and featured world-renown composer, arranger and conductor John Cacavas, as well as pianist Tom Ranier, bassist Adrian Rosen, trumpeter Jim Linahon, trombonist Jeff Tower and guitarist Tom Hynes. The CD was recorded in the Grammy nominated world-class LMP STUDIOS in Claremont, California.
