You know it when it happens. Its that incredible and unique laid back feeling when family and friends gather to sit around, just playing, singing and laughing together. It doesn't matter how young or old, how or rich or poor. In those moments, everything just seems to come together. Its pure joy. Its this feeling that inspired us to write and record this collection of songs. Each of these songs was written from the heart and is based on experiences that we have had in body or spirit. This is our first fully original collection and we are happy to have an opportunity to share it with you. We hope you enjoy listening as much as we enjoyed writing, recording, and producing it.
