Learn The Secrets That Earned Me \$20,581.92 From ONE Affiliate Promotion Of A Seventy-Seven Dollar Product! Date: From: Jonathan Leger Creator Of: Instant Article Wizard 3WayLinks.net SiteSuperTracker.com RealTrafficExchange.com The competition in affiliate marketing today is fierce. Hundreds of thousands of affiliates are competing to out-sell each other for the same products. To set yourself apart, you have to learn how to prepare your target audience so that they JUST HAVE to buy whatever it is you're offering. Using the methods outlined in my latest report, Preselling Secrets, you can repeat the process I used to earn \$20,581.92 from just one affiliate promotion. But First, The Proof Screenshots of just the front-end transaction reports from ClickBank. These figures do not include the additional thousands earned from the product's one-time-offer. Dear Friend, Look. I'm not going to spend a lot of time going on and on about this. You've seen the proof above. I know how to succeed in a big way

at promoting other people's products as an affiliate. The truth is that being a "super affiliate" is a simple matter of preparing your audience for what you're wanting them to buy. This process is known as "preselling" the audience. A little up-front legwork will pay off handsomely, as evidenced by the example promotion above (and that's only one of my many very successful affiliate promotions). The problem with most affiliates' efforts is that they do one of three things: 1. Simply send people directly through their affiliate link from their web site or via pay-per-click traffic (like AdWords) without introducing the product personally. BAD IDEA! 2. Bombard their email list with promotion after promotion after (*sigh*) promotion... REALLY BAD IDEA! 3. Send people a single email pitching the product, and never mention it again. There's a better way. Now, you can have SOME success using those methods, and that's why affiliates keep using them. But I'm going to show why you're missing out on MOST of your earnings by doing #1, why you should NEVER do #2, and the RIGHT way to do #3! In fact, I'm going to show you my step-by-step formula for achieving stellar affiliate profits! Here are the five VITAL topics I cover with you in the report: Preselling Is About Building Trust Preselling By Not Selling Anything At All!
