Tom Hathaway leads a pretty comfortable life. He's got it all. He's only ever seen at school wearing Prada, Ralph Lauren or Gianfranco Ferre - because then he's a different person - defined by the cut and the cloth - cool and confident. That's how it is when your parents have money and you can have style by the label-load. But then he meets Sylvia and discovers a darker side to life. Increasingly he's drawn to the cut of the flesh rather than the cloth. Seeing Red is a title in the highly contemporary Cutting Edge fiction series for young adults. The series features fast paced quick reads. Each book focuses on difficult topics and situations, one that many teenagers will have experienced first hand or through friends and will be able to relate to.
