

# Christ's Prophetic Plans: A Futuristic Premillennial Primer

[DOWNLOAD HERE](#)

General editors and experienced bible scholars John MacArthur and Richard Mayhue help to provide a clear and convincing Biblical explanation for the interpretive approach to Scripture that results in a knowable futuristic view of Christ's millennial reign on earth. Christ's Prophetic Plans also helps provide the certain validity of God's promises to future Israel, and the crucial differences between Israel (as a people and a nation) and the New Testament church.
