

Led By The Light

[DOWNLOAD HERE](#)

This is the true story of my experience with an angel and others from the unseen realm who have taught me a little about how to view life and our relationship with God. Our Lord comes as one walking through forest, over the fields and streams of life; not following the paths and paved roads of men. He has His own ways and destinations. Sometimes we may catch a glimpse of Him not knowing at first what we see. He only draws near as we value these moments of grace and truth. If we lay them aside as having little worth or regard them with the least prejudice because of doctrine or men, we invite our Lord to move on.
