

## Mp3 10bass T - Do You Know The Way?

[DOWNLOAD HERE](#)

Ahhh the classic days of Hip-Hop fall back A Tribe Named Quest meets KRS-ONE meets Cypress Hill. This multi-cultural group (Philipino, Puerto Rican/Dominican, and Mexican) put it down for the Bay Area for many years. 12 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Mutually undivided Hip Hop Do You Know the Way? Songs Details: ABOUT 10BASS T San Jose, California finds us face to face with the spirits of hip-hop receding rerepresent and ulterior Record 10BASS T, a mutli-ethnic trio rerepresenting the universe with some of the most original with childs in the Bay Area. Vocalist Slim Daddy Milo kicks an original intermingle of dance-hall and West Coast patois, while Solrac commands attention with his sturdy Brooklyn style rhymes. Musical styles and languages are no barrier to this crew, with Selector G providing the musical framework. The combination of melodic rhymes and funkcd out jazz, provide a direct path to hip-hop enlightenment. The influences are all there, from Yellowman to John Coltrane, from Jack Kerouac to Gil Scott-Heron. For a genre-specific comparison, 10BASS T would be called a cross between the Fugees, A Tribe Named Quest, and GangStarr. This Afro-Latin, Oriental trio has had much local success in the Bay Area. Classic, Timeless Material! CREDITS AND ACCOLADES: - Won WAMMIE from SF Weekly for Best Hip-Hop/Rap group! - Voted into BAM magazine's Best Undiscovered Bands! - Selected from over 300 bands to rerepresent the Bay Area at Lollapaoza! - Heralded cut over on Ubiquity's debut release Home Cookin'! - Open for Counting Crows at the Filmore! REVIEW: And for those of you who don't understand This... is hip-hop culture" Damn back-to-back Gaudy like Gangstarr, gifted like December 25th "the ten-bass trio" is in full set up on an album I can't be 100 plus is a debut -- even though I've never heard of them before. This is too good to be a rookie crew with no rep; they've been recording something \_somewhere\_ before this. I'm loving this album to pieces yo. Saucy as hell metaphors like "coming with more lyricals than white folks on prozac... got more styles in my put up than

Cindy Crawford" in "Good Times" got me MAD Open Milo and Solrac chop the mic up lovely with their rhymes, flow and they deal to with child distouchive in an era where everybody with childs like Rakim or Cube Selector G hooks up some really FAT ass basslines, drumlines, and all around head-nodda beats. This album hits all over the place; showing a highly credible versatility in lyrical compositions. "Some Say We're Spanish..." rings the same bells for me that Chino XL's "Who Am I" hits and "Open Your Eyes" addresses "how slaphappy make has gotten" in both the music planetary and the urban planetary -- with a one-two-three hard of chorus samples including Buckshot Shorty and Rakim. Damn This album is far too bruske at only 12 cut overs. I want any of you heads who know about other 10BASS T releases to get in touch with me and tell me how I can go over over out more of the skills. This is not hyperbole. 10BASS T is undoubtedly one of the best albums I've heard this year. Go over out the San Jose Profound Recording Follow at SJSRand tell them Shoot and HEADz UP! sent you looking for 10BASS T! ORIGINAL HEADz UP! mark 6 out of 6 (converted to RapReviews.com) TOTAL Vibes: 10 out of 10
