Inspired by the No 1 hit song Summer Sun which meanders with brilliant guitar riffs and ever memorable hooks a brilliant album from an inspirational English songwriter. 6 MP3 Songs POP: British Pop, EASY LISTENING: Cabaret Details: This album from Alan is inspired by the no 1 hit song "SUMMER SUN" which charted for 10 weeks in the ILR Australian playlist charts. The song rolls in and out of summer reminding us all how much we long for those hot summer days lazy guitar riffs the smooth vocals will fuel your imagination. "HELL'S CORRIDOR" the follow up single deals with a western town of the same name fighting for survival haunting guitar sets the scene. The other tracks are all to do with real life situations the lyrics speak volumes and capture the moment. "ROADSIDE BLUES" is about a car speeding down a road and the events that befall the driver. A lesson for us all. Alan plays all the instruments and sings the vocals on all the songs after which he mixes and creates the cd as you hear it. The cd has been mastered but apart from this is a very hands on creation. Alan's songwriting deals with every day events that affect all of us. Hope you enjoy SUMMER SUN and can relate to the music and lyrics. NEWS UPDATE----- The track SUMMER SUN spent 17 weeks in the ISON LIVE RADIO WORLD INDEPENDANT CHARTS it's highest position no 1 and features regularly in the KAOS FM WORLD UNDERGROUND RADIO SHOW. Listen to "RINGTONE" TRACK 6 On the CD which has proved to be the largest selling track on download. All the tracks on this CD can be bought seperately via digital distribution.
