

Mp3 Cross Winds - The Whole World Is Art

[DOWNLOAD HERE](#)

Easy listening electronically based sounds with a flavor of jazz and orchestration. 8 MP3 Songs
ELECTRONIC: Ambient, ELECTRONIC: Experimental Details: From a Indie out post on the southern edge of Houston. Reporting new and original music. Produced, written and arranged all by Will Hammond. Metro Eclipse Records is a new and diverse Independent label that has now started to get involved in the local, national and international music scene. With the help of the radio stations and Internet we hope to connect with everyone that enjoy good homegrown music. In the future we will be giving live performances at selective venues. Thanks for taking out the time to read this and listening to the sound clips that we have provide for you. If you have any comments or suggestions please contact me.
