

Mp3 Ela Lamblin - Sculptaural

[DOWNLOAD HERE](#)

Soothing acoustical ambience from unique instruments with melodic passages and percussion. 11 MP3 Songs NEW AGE: Ambient, NEW AGE: Environmental Details: From the haunting melodies of the "Stamenphone" (a 16 string harmonic sculpture played with a cello bow) to the whirling soundscapes of the "Rumitones" (spinning percussion instruments) and "bellwheels" (revolving xylophone sculptures), this recording is an evocative journey into the unique musical world of Ela Lamblin. Not only did Ela compose and perform the music, he also designed and built each of the 15 instruments used. In addition, Bill Moyer provides tabla and percussion accompaniment.
