12 track of in your face Alternative Hip Hop, Reggae and Rock mixed in one new style called Hip Hop Rasta Rocker. 12 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, WORLD: Reggae Details: Eric IQ Gray aka Eric IQ is an artist first, then a producer. He's been doing his musical art in the underground for many years in New York's hip hop scene. His first success came in the late 80's when produced the hip hop group The Poor Righteous Teachers "Holy Intellect" album. That album sold 500,000 units. Eric IQ didn't stop there, he traveled the world and found himself creating and teaching the art of hip hop to the underground hip hop heads in Europe that never experienced the culture. He also started experimenting with reggae, dub, rock and electronic sounds. After the Berlin wall has fallen, Eric IQ was one of the first to go to East Germany to perform one of the first ever Hip Hop show in that country thus showing them what hip hop and rap music was all about. This is IQ's 4th solo album. In the year 2000 Eric IQ moved back to the USA and found his new record label Angel Youth Enterprises.
