While tearing up the region with their action-packed stage show the Green Team contributed music to the extremely popular Highsiden DVD. They went on to do music for Highsiden II and the Go Dumb U.S.A. DVD. Peel Wayne: Born in Ft.Worth Texas, Peel moved to the Bay area at an early age and went on to reside in Richmond, California. His rap style is smooth like candy paint mixed with a hint of aggravated lyricism. Drop Knock: Born and Raised in Oakland. Drop Knock serves as producer for Green Team. He has also produced songs for local artists Insane Maine, Yadi Ya da Nephew and Big El. His Boisterous rap style captures your ear while the beats tear up your speakers. They are now ready to release their Debut Album Ride and Mack / The Go Dumb U.S.A. soundtrack. 13 tracks that will definitely appeal to the Hyfee generation with slappers like "Go Dumb U.S.A." and "Step 1". They also have tracks to appeal to older hip-hop listeners with tracks like "Luv Yo Hood" and "Sista I Like". Contact Info: (Wyzguys Records) Rodney Clemons 510-228-9247
