Dreamy, mystical soundscapes based on human voice and drums. 10 MP3 Songs NEW AGE: Meditation, NEW AGE: Healing Details: Helge Corneliusen is an independent composer working within a variety of genres from experimental contemporary projects to modern pop/rock. 20. March 2003: Five artists gather in the cold, raw nature side of Norway, more specifically in the valley of 'Juvet'. One being a painter, the other a sculpturer, the third a photographer, the fourth a composer and the fifth the project leader. Their task is to spend five days without any contact with civilization, taking in the impressions imposed by the wilderness and expressing these within the realms of their respective art-forms. On the final two days of the project, the location is open to the public and the artists present their art. Using a 16-track portable audio-recorder, Helge Corneliusen created the 'Juvet'-album.
