

Mp3 Honeyside - ?????? (hana Ga Saku Oto)

[DOWNLOAD HERE](#)

Jazz based pop album with nice female vocal. 6 MP3 Songs POP: Japanese Pop, JAZZ: Jazz-Pop
Details: About this album: The sun wavering in the sky... ...a quaint town during sunset... ...layers of waves on the ocean... ...fluttering flower petals... This compact album evokes such images with its collection of humbly dramatic and easygoing pop songs. Kaol's melancholic yet sweet and dignified voice dances with a soft groove around a melodious piano supported by simple instrumental backing. Her vocal expression is as diverse as the tone of their songs bringing to the listener a gentle and warm sound to cuddle up to. Coming to the end of the album one feels deeply content, as if having watched an entire film. About honeyside: honeyside is the unit that Daisuke Takeuchi(whose career is based on Jazz) and Kaol Kodama who sings in some other bands formed together in Japan. Their music is based on a sophisticated style which is combined acoustic jazz with pops.
