A collection of scriptures set to classical music for believers to listen to and meditate on when challenged with adversity. 36 MP3 Songs SPOKEN WORD: With Music, GOSPEL: Contemporary Gospel Details: I've always had the desire to share the word of God with my patients. As a Registered Nurse, the joy the Word of God brought to my patients made the long exhausting hours worthwhile. But all too often, I would notice that many of my patients were too ill to pick up their Bibles due to their weakness from whatever disease they were challenged with. That's when the Holy Spirit spoke to me to put the scriptures on CD so that people could hear the Word of God and be comforted during their time of adversity. Faith comes by hearing, and hearing by the Word of God. Jacqueline D. Stokes, R.N.
