New York Times bestselling author returns to his country music roots with his latest album. Some of these songs are old, and some brand new, but all of them are original and unabashedly country. 14 MP3 Songs COUNTRY: Honky Tonk, COUNTRY: Traditional Country Details: Whiskey and Roses showcases the country roots that John sings about on one of the CD's tracks, "Guilty of Rock Roll." Born in Houston, Texas, John's deepest musical influences come from the South -- Hank Williams, Bob Wills the Texas Playboys, and then -- much later -- Willie, Waylon, Kris. Coming of age in the 60s and 70s, John formed "Johnny Capo and his Real Good Band" and played some of the tracks on this CD, as well as covering tunes by the almost-country Eagles, Jimmy Buffett, Poco, and Flying Burrito Brothers. So some of these songs are old, and some brand new, but all of them are original and unabashedly country. John Lescroart (Less-kwah) is the New York Times bestselling author of the Dismas Hardy/Abe Glitsky series of crime novels set in San Francisco, as well as the recent stand-alone books THE HUNT CLUB and THE SUSPECT. Check out his eighteen novels and two other CDs on his website at johnlescroart.com.
