TRUNK BIO The "OUT THA TRUNK" compilation has over a dozen artist, but there are only two principals. John Harrison, and Tyrod Sampson. Two songs on this compilation, "My Issue" and "Prisoner 023," are collaboration of the two, and are a blend of Tyrod (TY) Sampson's seasoned hiphop vocals and John (The Czar)Harrisons smooth R&B vocals reminiscent of Nate Dog, put to the Beats of Jamiel Hassan (one of the top musical producers in Northern California). John Harrison AKA:THE CZAR is from Dayton Ohio and has resided for most of his life in the San Francisco Bay area as do all the other artist on this compilation."I was raised on funk and the Motown sound and I think a lot of the hip-hop has gone to far off to the left and too street political and has gotten away from entertainment.The object of entertainment is for the listener to feel good when its over." Thanks for your support and thanks to CDBaby
