the Aussie 'blonde' with 'brains' - that's an 'oxymoron' NO it doesn't mean stupidcow. Look it up in the dictionary. She also has a brilliant voice with songs that'll have you reaching for your boots and scootin' or crying into your kleenex. 12 MP3 Songs COUNTRY: Country Pop, EASY LISTENING: Love Songs

Details: I Feel...I Breathe is Kcee's debut album. 12 original tracks in a country/pop crossover style. From the hauntingly beautiful 'I Feel I Breathe', to the jazzy upbeat 'Read My Life'. This album is a mix a different styles with a country feel throughout. Kcee says 'I wrote all these songs as a kinda therapy I guess. Like many writers I take parts of my own life and experiences and turn these into songs that people can relate to. It's really rewarding to have people say to me at live gigs - That was about me!' 'Wait, Wait' and 'Loving You Tonight' both received airplay in the USA with 'Wait, Wait' making it to the Top 50 according to New Music Weekly. 'I Feel, I Breathe' was a finalist in 'Song of the Year' and the album received airplay all over the world including the USA, Australia, Belgium, Argentina, Italy, France, Netherlands and New Zealand. Kcee is an Australian singer/songwriter based in Melbourne. She has since gone on to record an EP and her brand new album 'Foolish' is now available from kcee Kcee says - 'Foolish, is a follow on from I Feel, I Breathe. I had a fantastic producer in Marcel Yammouni from Captain Vibe Productions - captainvibe.com.au and amazing musicians. I went into the studio this time really knowing what I wanted. I think the album speaks for itself.' She has recently been signed to the Ritmo Records label in Texas, with release of 'Foolish' in the USA and Canada due in 2006. The first single 'All Those Things You Never Say' was released in Australia, New Zealand and Europe and is currently climbing the 'Hot Disc' independent chart in Europe. The album has received excellent reviews in Australia and we look forward to her success upon her release in the USA.
