Somebody pulled the hair right out of my head something so small 'bout a quarter-size not me that's pointing a knife admit that you're wrong not to matter-- Don't you remember anything denting the car, the machete stealing bread and meat under your jacket-- get afraid and lie get afraid and twist things up your riddle underneath I go-- scraping up the sides and dropping down-- talon of the blackwater and graces. Hurling shotgun shells at a wedding party brother half-cocked at the pulpit nausea always skimming just beneath what's cheated you it's all coming up-- keep it down, keep it quiet it's a tailspin let's just get away-- scraping up the sides and dropping down-- talon of the blackwater and graces. So put me in your dress and step on my shoes tell me how much you like them take my picture, press it all over the house tear this roof off my head this throbbing in my heart-- keep it down, keep it quiet it's a tailspin let's just get away-- scraping up the sides and dropping down-- talon of the blackwater and graces. keep it down, keep it quiet it's a tailspin let's just get away-- c2008 Laura Siersema Produced by Jay Hovnanian Featuring Michael Farquharson (MCA artist/Juno nominee) T Lavitz (Grammy nominee of the Dixie Dregs) Eugene Friesen (Grammy winning Paul Winter Consort) Nick Falk and Marcelo Woloski (Maeve Gilchrist Group) Alastair Moock, Bruce J.
