Details: Matty Charles is a fixture on New York City's flourishing indie-Americana music scene, due largely to his presence on both sides of the bar at Petes Candy Store in Williamsburg, Brooklyn. Considered one of the most respected listening rooms on the indie-folk set, (NEW YORKER) the famous venue is where Charles maintained a weekly residency-sometimes performing solo and other times with his band, The Valentines-every Sunday night for over three years, developing his smooth baritone and authentic guitar flourishes (TIME OUT NEW YORK) while building a significant and devoted homegrown following. On Ring The Dark Atlantic, Charles showcases his abilities on both sides of the boards as Producer, effortlessly updating the sounds of ragtime, doo-wop, and early country music styles peppered throughout his previous three albums-the self released Matty Charles The Valentines (2001), Land Beyond The Sea (2003), and the solo acoustic Lover In Arms (2006)- by respectfully treating them with tasteful and subtle touches of studio effect. A sonically diverse and artful album, Ring The Dark Atlantic remains consistently somber in tone, and while the lyrical and musical depth (COUNTRY STANDARD TIME) of Charles crystalline guitar playing and understated songwriting style rises to the surface, his taught baritone vocals might be considered the album's centerpiece.
