A fine tribute to Patsy Cline's memory through Montana Rose's ever expanding legacy 11 MP3 Songs  
COUNTRY: Traditional Country, EASY LISTENING: Lounge Show all album songs: Dear Patsy Songs  
Details: Claudia Appling Williams, the rose in Montana Rose, deftly plays Patsy in Dear Patsy, and though her voice holds none of the truck stop throatiness of Clines, she interprets standards such as Walking after Midnight, I Fall to Pieces, Sweet Dreams and others with an erotic tenderness that's less country than it is late-night hip. Kenny Williams ditches the strings and Jordanaire-style back-ups of Owen Bradleys productions in favor of Claudias vocal pyrotechnics and Rick Winkings multi-layered guitar work, which runs the gamut from rockabilly to Reinhardt to roadhouse swing. Montana Rose has given us a classic. One could not ask for a finer tribute to Clines memory or to Montana Roses ever-expanding legacy. Toby Thompson 2004
