Mp3 Richard Ross - Flywheel

DOWNLOAD HERE

Pop songs done in a distinctive "Schmooze-pop" style. Lot's of influence from the pop biggies and jazz greats. 10 MP3 Songs POP: with Electronic Production, ELECTRONIC: Pop Crossover Details: Mr.Ross is a Schmoozepop artist based in Los Angeles. Originally a saxophonist, but evolved into a composer of pop vocal tunes. This disk was created to demo concise versions of the tunes for the movie industry. Mr. Ross' later releases feature more sax and more elaborate arrangements. A nice "sampler" from a unique and interesting player.
