Introducing The Brand New... Exit Feedback Trapper Exit Feedback Trapper deploys an unblockable pop up survey whenever someone leaves your site without buying or opting in to your list. It has been tested to work in any browser, and is 100 unblockable by any popup blocker available. The first time I used an exit survey on one of my sites, the feedback I received after just one hour was worth GOLD! I plugged it into one of my free membership sites, and in less than one hour I had two people leave comments that they didnt join the site because they couldnt afford it. I was SHOCKED! I thought it was clear the offer was free, obviously not. I looked over the site again, made a few adjustments and my opt-in rate skyrocketed instantly! I dread to think how much subscribers and profits I would be leaving on the table had I not made those changes. What Exit Feedback Trapper told me in just one hour, would have taken months using split testing software, not to mention the thousands of dollars in profit I would have missed out on... Dont get me wrong, Im not saying split testing is dead, or that you shouldnt do it, you should. But nothing can give you results as quickly as this unblockable exit survey system. Combine this with a split testing solution and you would instantly become one of the most efficient testers in internet marketing. Its

Easy To Use Exit Feedback Trapper & Give Yourself A Pay Rise Almost Every Day Once you know why your visitors aren't taking you up on your offers, all you have to do is revise your copy and watch as your conversions shoot through the roof! Exit Feedback Trapper only takes a few minutes to install on your site. After that it works for you everyday, continually telling you what you need to do to improve your copy, increase your conversions, and increase your bank balance, over and over again! :) So how much would you pay for this invaluable information that really will save you hundreds of hours split testing, and really can give you a pay rise everyday? \$147? \$97? Well no, it's worth MUCH more than that! But since this is brand new, I have decided to test the water and price this product at just \$27, at least until I get a few testimonials to put on this site... .. and I know I'll get lots of testimonials very quickly, because Exit Feedback Trapper has an instant impact on results! So order now to avoid disappointment when the price goes up...
