ELECTRONIC: Dance, ELECTRONIC: Funk People who are interested in Enigma The Crystal Method Paul Oakenfold should consider this download. Details: Funky, four-minute symphonies backed based based with danceable beats. Each of these ten tracks offers an escape from the verse/chorus mindset, compressing a classical pattern into a club-happy groove. Movement can be defined as an orchestral unit, a collective social shift, or glorious motion in physical space. All of these - in some small part - apply to the tracks of Newphoria. May the mind and body dance as one.
