

Primal Seduction - Caine - Blayne Edwards

[DOWNLOAD HERE](#)

Book 1 in the Primal Seduction series She's fertile. And Caine needs a bitch in heat. As an alpha male of a wolf human hybrid species, Caine knows it's his responsibility to sire the next generation of cubs for his pack. The animal in him can smell when the female upstream can conceive and this part of him has no qualms about mounting her with or without her consent. The man in him, however, isn't quite so willing to do that. Dr. Chloe Evans has come home to help reintroduce a timber wolf pack into the mountains where she grew up. She also hopes to record some of the legends concerning a hybrid species of wolf that reportedly once lived alongside the people of the Appalachians. Animals that possessed very seductive and tender human emotions and thoughts, but very brutal and instinct driven needs and desires. Animals like the one she's always dreamed of finding for a mate. Animals like Damon Caine.
