Now you can create your own custom meditation audios for personal use or to sell. Its as simply adding some soothing ambient music or nature sounds to these professional brainwave meditation tracks. You can mix them together in just a couple of minutes using a free audio editing program like Audacity. Or you can use them just as they are without any music. All you hear are the brainwave tones. No vocals These professional audios are created to gently guide your mind into a Light Relaxing meditative state while listening with or without headphones. At the end of the the tracks you will be gently brought back to an alert state. Choose from the 3 audio tracks of different durations to customize the length of your mediation. When mixing tracks, make sure the brainwave tone are audible but, so loud that they overpower the music you are mixing with. \* Please Note: If you are going to use these tracks to create audios to sell, You May Not, sell them without first adding other musical tracks or sounds to them.
