By everything I mean just that - because this package provides software to help you build and manage feature-rich membership sites...as well as provide you with priceless information, tips, tricks and more to give you the power to stuff your membership sites with paying clients - depositing $10, $29 or even $29 into your bank account, every month like clockwork. If that's not enough, if you're new to earning online and you have no idea what breed of membership site to create and in what niche then you'll find out the most profitable membership site niches to set-up in. You could leap-frog above thousands of established internet marketers & businesspeople with this powerful kit. Why

You Should Consider Setting Up Your Own Membership Sites! The paid content business model has exploded in recent times, and not just for business type niches. The potential returns from owning membership sites in all types of niches from online dating to health and fitness etc are now stronger than ever. However, the best part of owning a membership site is the type of income that the site owner gets - recurring income. Ask any wealth creation expert and they'll tell you that one of the best ways of getting RICH is by offering a service where the payments keep coming in, month after month. That's exactly what a membership site does for you - once set-up and promoted, your members will pay you a monthly fee to continue to access the site. It's a little like earning a salary (but without the hassle of having a job). Here's how "Membership Site Buddy" will help you set-up, run and grow your own cash generating member site that has hundreds, even thousands of paying members... Membership Site Buddy Offers You A Simple To Use Yet Comprehensive Membership Site Software The Simple Member System software that you receive is ideal for people who want a powerful membership site that performs a wide variety of functions, while being easy to set-up manage and run. Time is money... and when you purchase the latest and greatest script, you expect to have it up and running within a few hours. There simply is no time for debugging a script or figuring out why X, Y and Z files don't seem to work. We have looked at most of the "high dollar" membership scripts, and while the features vary they have one thing in common... they take forever to learn how to setup. Some scripts almost require you to outsource the site set up because of all the features which are confusing and hard to understand. You No Longer Have To Worry About All That Techie Mumbo Jumbo ... ...because now your life just got a little easier. The Simple Member script has been designed so it is easy to set up and easy to use because we know it shouldn't take weeks to set up a site. There is no reason to spend all those wasted hours learning how to install and setup a simple membership site when you could have your own site up and running within a matter a few minutes. The bells and whistles that most 'big boys' use will be offered to you as well, but we are giving you the bare bones so you can get your site up and running fast. Here are the major features of this powerful membership site software: Member Site Software Functions... Admin Functions: Simple Member has on screen documentation. Every page of the admin area has explanations of what the options do and how to set them up. Customize site name, meta description, and meta keywords. Customize Disclaimer, Terms of Use, and Privacy Policy from the admin area. Emails sent to admin and members on signup or payment are fully editable from the admin area. Mass mail system. Send broadcast emails out to all

members who have agreed to receive emails from you. Works with or without cron jobs. If cron jobs are not available to you, there is a function available to send the emails out with just one click. Single user mail system. Admin can cho
